PUBLICATION:

The proceedings of the seminar will be published as a book in the context of unit 8 of the PH-SEE curriculum on public health strategy. The editors are Gabriela Scintee and Adriana Galan from Bucharest together with Valeriu Sava from Chisinau. All participants are expected to contribute in written form to the formulation of their national strategies and/or related developments.

The editors will stay in Belgrade together with some of the participants for another 3 days until Wednesday 1st of September.
