

Andrija Štampar School of Public Health Dormitory was built as part of the School in 1926 with main intent to provide provisional accommodation for persons attending specialization and professional training. Generations of medical doctors and world experts have used the hospitality of this establishment in the last 90 years.

The dormitory is available for visiting teachers and students, scientists, lecturers and other collaborators on various projects, courses, conferences, etc.

The building was fully renovated in 2006. The Dormitory has two apartments and twenty double bedrooms, each with its own bathroom, spreading on 505 m². There is also a kitchenette available for use 24 hours a day. All rooms have Internet access.

Dormitory guests have a library at their disposal comprising of more than 60 000 books and journal volumes. Several computers and print services are available for the library users. The library also provides access to relevant scientific databases through which library users can find the latest content and information.

On the third floor of the building is a newly renovated restaurant operating from 8 am to 5 pm.

The building has a parking lot, elevator, and is adapted to the needs of people with disabilities.

Dormitorij Škole narodnog zdravlja „Andrija Štampar“ sagrađen je u sklopu Škole 1926. godine s osnovnom namjenom povremenog smještaja osoba na usavršavanju i edukaciji u okviru programa zdravstvenog odgoja i projekata iz medicinskih znanosti. Generacije liječnika i svjetskih stručnjaka iz raznih područja koristili su gostoprimstvo ove ustanove u posljednjih 90 godina.

Dormitorij je namijenjen gostujućim profesorima i studentima, znanstvenicima, gostima predavačima te drugim suradnicima na raznim projektima, tečajevima, konferencijama itd.

Zgrada Škole je potpuno obnovljena 2006. godine. Dormitorij se proteže na 505 m² i raspolaže s dva apartmana i dvadeset dvokrevetnih soba od kojih svaka ima svoju kupaoonicu i pristup internetu. Gostima je također na raspolaganju čajna kuhinja koja se nalazi u sklopu dormitorija.

Gosti dormitorija mogu posjećivati i knjižnicu koja se nalazi u prizemlju zgrade, a koja posjeduje oko 60.000 svezaka knjiga i časopisa. Knjižnica ima pristup relevantnim bazama podataka te je korisnicima omogućen pristup najnovijim znanstvenim informacijama i časopisima. Korisnici knjižnice mogu se koristiti računalima i printerom.

Na trećem katu, gdje je smješten dormitorij, nalazi se i novouređeni restoran sa zatvorenim i otvorenim terasom te radnim vremenom od 8 do 17 sati.

Zgrada ima parking i lift te je prilagođena potrebama osoba s invaliditetom.
